

NEW HUMBLE COMMUNITY SCHOOL

Student Transportation

New Humble Community School Association transportation agreement with Black Gold School Division means that all families residing within the bussing boundary for Calmar Secondary School are eligible for transport to New Humble Community School. Please see the map for more details, or contact us to inquire.

As a public charter school, there is no boundary for attendance at New Humble Community School. This means that families who choose to drive their children can be living anywhere and still have the opportunity to attend.

In some cases, parents of students that do not have access to bussing may receive a subsidy for parent-provided transportation. Only one subsidy will be provided for parents transporting more than one child to the same school. Please contact the school for more information.
