

NEW HUMBLE COMMUNITY SCHOOL ASSOCIATION

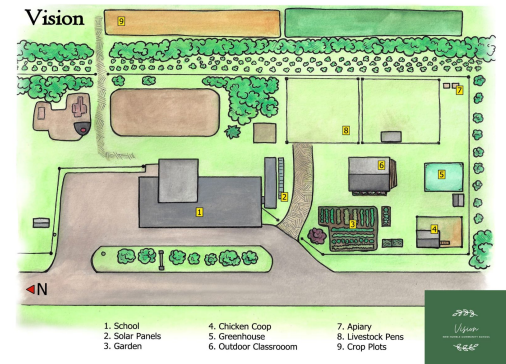

Fostering the growth of each individual student through innovative academics, stewardship and agricultural literacy.

Fresh Air Fresh Minds

The Benefits of Hands on Education are Greater Than You Know

The benefits of experiential learning have been proven in so many areas but many may not be aware of just how far they reach.

- ✔ Increases motivation and engagement
- ✔ Builds social-emotional skills
- ✔ Engages emotions
- ✔ Increases learning retention

The Future Starts with Them

Your donation plants a seed that grows students into accountable and contributing citizens in their communities. By helping build a future with a focus on skills, resilience and values you pave the way for the generation today to pass their knowledge and values to the generations that come after them.

Why Support Us?

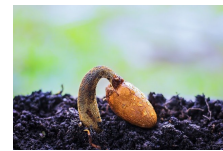

An Immediate Impact

Your donation will have an immediate impact on learning opportunities for students at New Humble Community School.

Watch us Grow

You will be able to see your donation being put to good work as we develop our outdoor facilities and programs. You can follow us on social media to see our exciting updates.

Support Opportunities

Seeds of Education

The Seeds of Education program will fund additional instruction expenses, field trips, speakers, program improvements and various initiatives.

Seeds of Optimism

Greenhouse Donated!

2021 - 2022 The Seeds of Optimism program will fund the NHCS Greenhouse initiative. Funds from the Seeds of Optimism Program will be used to pay for a medium sized professionally built greenhouse to be installed in the grounds of the school. It will be equipped with shelves, potting materials, and both seeds and seedlings.

Seeds of Confidence

Chicken Coop Donated!

2021 -2022 The Seeds of Confidence program will fund the Broiler Chicken Initiative. Funds will be used to build a chicken coop and have it outfitted to be a safe and interactive way for students to care for and gather information from a small clutch of broiler chickens.

Seeds of Compassion

2021 - 2022 The Seeds of Compassion program will fund the NHCS outdoor classroom initiative. Funds will be used to order and install a prebuilt barn. The barn will provide the opportunity for year round hands-on learning with a sheltered outdoor classroom space and enhanced implementation of agriculture education.
